

Seaway Section
Mathematical Association of America
Fall 2008 Meeting
Siena College
Loudonville, NY
October 17-18, 2008

Invited Speakers:

Richard J. Cleary, Bentley College

Darren Narayan, Rochester Institute of Technology

Randolph Lecture: T.B.A

Contributed Paper Sessions:

Titles and abstracts for contributed papers should be sent by e-mail to Raluca Felea rxfsma@rit.edu. Please use plain text, not Tex. In addition to title and abstract include any special equipment requests.

Deadline for submissions: October 1st, 2008.

Please send general suggestions for the program (such as suggestions for panel or round table discussions) as well as other comments and questions about the program to Hossein Shahmohamad, Program Chair, hxssma@rit.edu

Student talks:

Titles and abstracts should be sent to Derek Habermas, RIT habermds@potdam.edu

Meeting web site:

For information about local accommodations, as well as updated program information (as it becomes available) follow the links from the seaway section web-page,
