

Classroom Slides for Math 225

Section 3.7 "Optimization"

Section 3.2 The Mean Value Theorem and Consequences

Section 3.9 Antiderivatives

Section 4.2 Definite Integrals

Section 4.3 The Fundamental Theorem

Section 4.4 Indefinite Integrals

Section 4.5 Substitution

Section 5.1 Area

Section 5.3 Volume: Disks and Shells

Section 5.5 Average of a Function
